

DetoxiCarb

PACKAGE LEAFLET: INFORMATION FOR USER

Please read this leaflet carefully before using DETOXICARB. If you would like any more information, or are not sure about anything found in this leaflet, please contact your veterinarian.

1. WHAT CARBOMIX IS AND WHAT IT IS USED FOR

The active ingredient of DETOXICARB is activated charcoal in the form of tablets. DETOXICARB is used as an emergency treatment for toxic material ingestion, pica or drug overdose. It works by absorbing the toxic substances and drive it outside of the body through stool.

Therefore, reducing toxin absorption into the blood or helping to eliminate them from the body is the most important mission of Detoxicarb.

DETOXICARB itself is not absorbed into the blood and passes through the gut unchanged.

2. BEFORE YOU TAKE DETOXICARB

Do not take DETOXICARB

- If your pet is hypersensitive (allergic) to medicinal charcoal or any of other ingredients of DETOXICARB
- In case of heavy constipation and suspected intestinal obstruction
- It should not be taken if your pet has taken a medicine or an oral antidote such as methionine as they will be absorbed by DETOXICARB.

Tell your veterinarian if your pet is taking any other medication.

DETOXICARB is of limited use in treating poisoning by the following

- corrosive substances (such as acids or alkalis)
- cyanide, iron salts
- some solvents such as methanol, ethanol (the alcohol in alcoholic drinks) and ethylene glycol

Pregnancy and breast-feeding

Consult your veterinarian if your pet is pregnant or breast-feeding.

3. HOW TO TAKE DETOXICARB

Treatment of diarrhea:

- Take 2-6 tablets mixed with food as needed following to the volume of the poison
- Do not exceed 16 tablets per day

4. POSSIBLE SIDE EFFECTS

Like all medicines, DETOXICARB may cause side effects.

Some patients may experience constipation or diarrhea.

Rarely, blockage of the intestine have been associated with multiple dosing with activated charcoal.

Activated charcoal will usually produce black stools.

5. HOW TO STORE DETOXICARB

Keep out of the reach and sight of children. Store below 25°C.

Keep container tightly closed.
