

Cardiofit

Elevating Pet Well-Being Through Heart-Boosting Taurine

Cardiofit Paste, a meticulously crafted treat designed not just to delight your pet's taste buds but to prioritize the holistic well-being of your cherished companion, with a particular emphasis on heart health. At the core of this carefully concocted formula lies the formidable taurine, complemented by a discerning selection of ingredients, all dedicated to providing your pet with the care they genuinely deserve.

Taurine, an indispensable amino acid for dogs and cats, emerges as a key protagonist in Cardiofit. Its fundamental role in maintaining cardiovascular health cannot be overstated. Taurine aids in the regulation of heart muscle contractions, ensuring the maintenance of a steady and efficient heartbeat.

Taurine's significance is particularly pronounced in certain breeds that are predisposed to cardiovascular diseases. Its inclusion in Cardiofit is a testament to our commitment to safeguarding your pet's heart against potential health challenges, promoting a life of vitality and vigor.

Visionary Support: While renowned for its cardiovascular benefits, taurine also extends its influence to ocular health, especially in cats. Adequate taurine levels are crucial for maintaining proper retinal function, underlining its significance not only for the heart but also for the preservation of your pet's vision.

Beyond its targeted cardiovascular support, taurine contributes to the overall well-being of your pets. By incorporating Cardiofit into their daily routine, you are providing them with a comprehensive solution that addresses multiple facets of their health, resulting in a content and thriving companion.

Harmonizing Ingredients for Optimal Health:

Hawthorn Extract: Partnering with taurine, hawthorn extract brings its own set of cardiovascular benefits, contributing to the overall health of your pet's heart.

Fish Oil (Omega-3): A rich source of omega-3 fatty acids, fish oil is the secret weapon for reinforcing cardiovascular well-being, providing the necessary support for a strong and resilient heart.

Malt Extract: Beyond its role as a natural sweetener, malt extract brings an extra layer of nutrients to the mix, elevating both the flavor and nutritional value of Cardiofit Paste.

Oat Flour: A wholesome addition, offering a dose of fiber and essential nutrients. It not only contributes to the texture but also enhances the nutritional richness of the paste.

Pumpkin: Bursting with vitamins and fiber, pumpkin earns its spot for digestive benefits and overall positive impact on your pet's well-being.

Flaxseed: An unsung hero, providing omega-3 fatty acids and fiber to complement the heart-healthy qualities of Cardiofit Paste.

Ingredients: Taurine, Hawthorn Extract, Fish Oil (Omega 3), Malt Extract, Oat Flour, Pumpkin, Flaxseed, Vegetable Oil and Fat, Yeast Products, Xanthan Gum, Potassium Sorbate, Sorbic Acid, Citric Acid, Deionized Water, 0.5% Mannan oligosaccharide, 0.84% Beta glucan

Recommended Dosage:

Administering Cardiofit Paste ensures a precise and measured dosage of taurine and other beneficial ingredients. For adults, 1.5 grams/ 3 cm are recommended, while kittens and puppies benefit from 0.5 grams /1 cm, ensuring a tailored approach to your pet's needs at every life stage.

Directions: Place Cardiofit Paste on the front of paws, where the

cat/dog can lick it off. When your cat/dog is hungry, she/he will lick directly from the tube or from your finger.

Storage Conditions:

To safeguard the potency of Cardiofit Paste, it is advised to store it well closed in a dry, clean area at room temperature, shielded from direct sunlight and moisture. This simple yet crucial step ensures that each serving maintains its efficacy, contributing to the enduring health and happiness of your pets.

Keep out of reach of children.
