

CAT and DOG COLAGEN TABLET

COLAGEN PLUS

It supports cat and dog joint and muscle health, healthy skin and overall wellbeing. It helps bone health and development, mobility improves, active joints, agility and growth promote and exercise recovery. As loving pet owners, Agrofit strive to provide our furry friends with the best possible care, ensuring their health and well-being. We often come across various supplements and treatments that claim to benefit our pets, and collagen has emerged as a noteworthy option. It is given once a day according to the weight of your dog and cat. It can be given directly orally or mixed with food.
