

Dermofit (Liquid)

Dermofit - Pet Hair and Skin Health Support

Dermofit, crafted for optimal pet care, is a specialized formula designed to support hair and skin health in your cherished companions. Enriched with a precise blend of key ingredients, including the vital B complex vitamins, this 50 ml solution is a testament to our commitment to excellence in pet well-being.

Key Benefits:

Skin and Coat Health:

Dermofit is a powerhouse of B complex vitamins, including biotin and zinc, essential for maintaining healthy skin and a lustrous coat. B vitamins play a pivotal role in cellular health, aiding in the renewal and rejuvenation of skin cells.

Nourishment and Revitalization:

The inclusion of B5 (Pantothenic Acid) in Dermofit contributes to the nourishment and revitalization of dry and dull coats. This essential vitamin fosters moisture retention, resulting in a healthier and more vibrant appearance.

Water Permeability and Support:

The unique formulation enhances water permeability in both skin and coat, fostering hydration and overall well-being. B complex vitamins, particularly B6, contribute to the maintenance of skin health and coat structure.

Comprehensive Support for Natural Wellness:

Dermofit is ideal for animals aiming for natural wellness in hair, skin, and nails. It works from within, providing the necessary nutrients to promote enhanced growth, strength, and a healthy appearance in your pets.

Ingredients:

Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Vitamin B7, Vitamin B9, Vitamin B12, Zinc Sulphate, Copper Sulphate, L-Methionine, Potassium Sorbate, Deionized Water

Dosage and Administration:

For dogs: Administer 2 ml (10 drops) per 10 kg of body weight, seamlessly blended with water and food.

For cats (up to 5 kg): Incorporate 1 ml (5 drops) into their daily regimen, mixed with food and water.

For larger cats (5 kg and above):
Administer 2 ml (10 drops) daily,
artfully incorporated into their diet
and water.

Storage Guidelines:

Dermofit should be stored securely
in a well-closed, dry, and clean
area, maintaining room
temperature. Shield the product
from direct sunlight to ensure its
sustained efficacy..

**Keep out of the reach of
children.**
