

# Top 20 Paste

## Multivitamin for Cats and Dogs

Top 20 Paste is a meticulously crafted multivitamin designed to provide a myriad of health benefits for your cherished cats and dogs.

This nutritional powerhouse stands as an All-In-One solution, offering a synergistic blend of ingredients that not only boost the immune system, support skin and coat health, and promote digestive well-being but also deliver a range of additional benefits through its thoughtfully selected composition.

### Four-in-One Health Benefits:

Top 20 Paste serves as a versatile nutritional support, providing four distinct health benefits through its unique ingredient combination:

**Hip & Joints Support:** The inclusion of essential vitamins and minerals like Vitamin D3, Manganese, and Taurine actively contributes to maintaining the health of hips and joints, ensuring enhanced mobility and flexibility for your pets.

**Skin & Coat Nourishment:** With a rich combination of Vitamin E, Biotin (Vitamin B7), and Zinc, Top 20 Paste promotes optimal skin health

and a lustrous coat, contributing to a vibrant and healthy appearance.

**Digestive Enzymes & Probiotics:** The presence of Mannoligosaccharide (MOS) and Beta-Glucan aids in the support of digestive enzymes and probiotics, fostering a healthy gut environment. This helps in the absorption of nutrients and enhances overall digestive well-being.

**Multivitamins & Minerals for Overall Health:** The comprehensive blend of vitamins such as A, C, and B complex, along with minerals like Iron and Zinc, ensures the overall health and well-being of your pets, addressing nutritional gaps and supporting their vitality.

### Ingredients:

Malt Extract, Oat Flour, Vegetable oil and fat, Yeast Products, Xanthan Gum, Potassium Sorbate, Citric Acid, Deionized Water, Vitamin A, Vitamin D3, Vitamin E, Vitamin C, Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Vitamin B, Vitamin B9, 3a Vitamin B12, Manganese, Zinc, Iron, Taurine. Contains 0.5% Mannoligosaccharide MOS, 0.84% Beta Glucan.

### **Dosage and Administration:**

Administer 4 cm (2g) of Top 20 Paste daily to ensure your pet receives optimal nutritional support.

Place Top 20 Paste on the front paws, allowing your cat or dog to lick it off. Alternatively, administer directly from the tube or from your fingers when your pet is hungry.

### **Storage Conditions:**

Top 20 Paste should be stored in a cool, dry place. Keep the tube well-closed to maintain its freshness and efficacy. Protect it from direct sunlight and moisture.

**Keep out of reach of children.**
