

CAT and DOG CARDIAC HEALTH PASTE

CARDIOFIT

Cardiofit is a paste with taurine content for cat and dog. It supports heart health, digestion, eye health and the development of pregnant and babies.

The health and well-being of our beloved pets, be it dogs or cats, are of utmost importance as they bring immense joy and companionship to our lives. However, it is essential to recognize that our furry friends can also suffer from various health issues, including heart problems caused by diseases, parasites, and aging. These hidden cardiac ailments can be life-threatening for our pets, necessitating the need for effective preventive and treatment measures. Fortunately, Agrofit Company has developed an innovative solution called Cardiofit paste, which works wonders in safeguarding and treating heart conditions.

1.5 g/3 cm place on the front of paws, where the cat and dog can lick it off. When your cat or dog is hungry, it will lick directly from the tube or from your finger.
