

CAT and DOG CALMING AND RELAXING

RELAXIFIT

It helps to eliminate stress by supporting calmness and relaxation in a wide variety of stress situations such as change of environment, loud noise, mating visits, a new home, new people, meeting a new pet and travel. Thus, it supports the mental health of cats and dogs.

It is given once a day according to the weight of your dog and cat. It can be given directly orally or mixed with food.

Pet Weight	Daily Use
0-10 kg	1 tablet
10-20 kg	2 tablets
