

CAT and DOG MULTIVITAMIN PASTE

TOP20

Aids to strengthen the immune system, improve the skin and coat health. Also, it supports the digestive system's function with the prebiotics in it.

Use 4 cm (2 g) daily for adult cat and dog. The amount can be doubled as needed. It can be used directly by squeezing from the tube. Also, it can be used by putting it on the cat and dog's front paws where it can be licked off readily, or by mixing into its food.
